Freelance Architect or Technologist

Project London is hiring an immediately available Part 2 Architectural Assistant or Architect/Technologist/Technician to join our innovative, award-winning studio. Specialising in high-end residential projects, we pride ourselves on delivering exceptional results tailored to the needs of our discerning clients.

With a strong pipeline of exciting work, we're looking for a talented, detail-oriented individual to join our team on a freelance basis with potential for continued ongoing work.

Key Responsibilities

- Prepare client presentation documents and design packages
- Create architectural plans, technical drawings, and detailed schedules of materials and finishes
- Collaborate effectively with clients, suppliers, and the internal design team
- Organise and prioritise tasks across multiple projects to meet deadlines

Required Qualifications & Skills

- A minimum of three year's industry experience (ideally in high-end residential)
- High proficiency in Vectorworks (2D)
- Skilled in Adobe InDesign, and Microsoft Office
- Strong experience across all RIBA stages, particularly in luxury residential projects
- Excellent creative and communication skills, with fluency in written and spoken English
- A meticulous, process-driven mindset with a keen eye for detail
- Solid, up-to-date knowledge of current UK building regulations
- The right to live and work in the UK
- The ability to attend 3x office days per week (Mondays, Tuesdays and Thursdays) at our Parsons Green office

How to Apply

Step 1: Please complete our short application quiz
here: <https://projectlondon.co.uk/freelance-architect-or-technologist-quiz/>

(This should take no more than 15 minutes. Only candidates who complete the quiz will be considered for interview.)

Step 2: Send your CV, portfolio, and salary expectations to: info@projectlondon.co.uk

Important Information

- Applications are open only to candidates already based in London with the right to live and work in the UK
- Due to the expected volume of applications, we will only contact shortlisted candidates
- Shortlisted applicants will be invited to complete a Vectorworks skills test following interview
- The role is available immediately, though we appreciate some notice may be required
- No recruitment agencies, please
